2024 AIM Natalie J. Smith, MD Award for Excellence in Immunization Program Management Reviewer Form

To assist in the scoring and to ensure that reviewers are as consistent as possible, please score each submission based on the following parameters. In addition, a conference call will be held to discuss each nomination's merits and the review committee will come to consensus on the winner based on both the score and the outcome of the discussion.

	Nom #1	Nom #2	Nom #3	Nom #4	Nom #5
Background and experience in public health and immunizations. <i>(10 points)</i>					
Accomplishments (i.e. jobs or projects that have been completed). <i>(30 points)</i>					
Impact on the field of immunization, on the community or population, and/or in the immunization program (i.e. raising coverage rates). Use data to quantify when possible. <i>(30 points)</i>					
Leadership within the program, as well as within AIM. <i>(30 points)</i>					
Total <i>(out of 100 points)</i>					

Your Name:

Please rank the order of the top 3 submissions from 1 - 3 (1 = best submission).
